WARRANT

To the inhabitants of the Town of Temple in the County of Hillsborough, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Temple, on Tuesday, the Twelfth Day of March next, at eight o'clock in the morning, to act upon the following subjects.

Article 1. To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing year, and for the adoption of amendments to the existing town zoning ordinances as has been proposed by the Temple Planning Board.

Article 2. To cast your ballots for the election of such officers as may be required, by law, to serve the Contoocook Valley School District for the ensuing year.

THE POLLS SHALL OPEN AT EIGHT O'CLOCK IN THE MORNING, AND SHALL CLOSE NOT EARLIER THAN SEVEN O'CLOCK IN THE EVENING.

You are further notified to meet at the Municipal Building in said Temple, on Saturday, the Sixteenth Day of March next, at ten o'clock in the morning, to act upon the following:

Article 3. To see if the Town will vote to raise and appropriate the sum of **\$670,345.54** for Town charges and other necessary maintenance and operating expenditures.

Article 4. To hear the reports of agents, auditors and committees or officers heretofore chosen and to pass any vote relating thereto.

Article 5. To see if the Town will vote to authorize the Temple Historical Society to relocate the #6 Temple Schoolhouse to a flat portion of the field across from the Temple Elementary School on Hadley Highway. (Temple Historical Society) (Similar article tabled in 1995).

Article 6. To see if the Town will vote to fund its next appropriate public works project (e.g., road, bridge, school, sewage system) through a loan from a local bank discounted, at the actual cost of the loan, by the Federal Reserve System, pursuant to the provisions of the Federal Reserve Act, or, if necessary, to petition the New Hampshire Legislature and the Congress of the United States to authorize such financing, or to take other action relative thereto. (By petition)

Article 7. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the purchase of 6 to 8 new picnic tables to be placed at the Temple ball field. (Temple Recreation Commission)

Article 8. To see if the Town will vote to raise and appropriate the sum of \$7,500.00 to purchase a street sweeper attachment for the town's front end loader. (Highway Department)

Article 9. To see if the Town will vote to raise and appropriate the sum of \$4,500.00 to purchase a snow plow attachment for the town's front end loader. (Highway Department)

Article 10. To see if the Town will vote to raise and appropriate the sum of \$40,000.00 to rebuild a town bridge and authorize the withdrawal of \$40,000.00 from the capital reserve fund for bridge repair to cover this appropriation. (Highway Department) (Resubmitted from 1995).

Article 11. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for the rental of a machine to remove stumps from the donated land located next to East Cemetery. (Highway Department)

Article 12. To see if the Town will vote to raise and appropriate the sum of \$12,000.00 to tar or pave that portion of Howard Hill Road known as Howard Hill starting at the intersection of Howard Hill Road and Colburn Road and ending at the intersection of Howard Hill Road and Kendall Road. (Highway Department)

Article 13. To see if the Town will vote to raise and appropriate the sum of \$34,774.00 for the purpose of hiring one full time police officer. This appropriation is contingent on the approval of a federal grant funding 75% of all costs involved. (Police Department)

Article 14. To see if the Town will vote to raise and appropriate the sum of \$3,150.00 to purchase a cruiser mounted video camera. (Police Department)

Article 15. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to purchase a freestanding book drop for after hours book returns. (Library Trustees)

Article 16. To see if the Town will vote to raise and appropriate the sum of \$1,235.06 for the Souhegan Valley Ambulance Service to purchase and install a radio repeating tower and upgrade existing radio equipment to function with the repeater system. This appropriation is contingent on the passage of similar articles by both Greenville and New Ipswich. (S.V.A.S.) (Resubmitted from 1995)

Given under our hands and seal this 22nd day of February in the year of our Lord, Nineteen Hundred and Ninety Six,

Brian F. Kullgren, Chairman
Allan Pickman, Selectman
Robert Frazier, Selectman

SELECTMEN'S REPORT

1995

The most major change we face this year will be in the radio communications and dispatch services for the fire and police departments. Until a couple of years ago, Temple, New Ipswich, Greenville and Mason shared a dispatch service, and the Souhegan Valley Ambulance. Since then, for a variety of reasons relating to the relationships between the other towns, this system has fallen apart. Mason has left the Ambulance and dispatch services, and Greenville has left the dispatch service. Temple and New Ipswich can't afford to keep Base 500 operating for just the two towns. We are in the process of switching the fire department over to Southwest NH Fire Mutual Aid, which serves Peterborough and almost all of Cheshire County, and many nearby towns in Vermont. Police dispatching will be taken over by Hillsborough County, which is already serving Greenfield police department. Because of these changes, the communications budget will be up slightly this year, but much of the money will go to new radios and pagers for the fire department. After these one time costs are taken care of, our annual communications budget will be much smaller than it has been in the past, due to the costs of dispatching being spread over many more towns. We feel these changes will provide as good, if not better service to the Town, at lower cost.

Other plans for this year include leasing a new computer system to serve the Town Clerk, Tax Collector and Selectmen's office. The software is designed specifically for New Hampshire municipalities, and will automate many of the daily procedures which are now done by hand, including new automobile registrations, dog licenses, tax bills and liens, and calculating interest on overdue taxes. It will also allow more accurate record keeping, and generate many of the different forms and reports required by the state. We hope it will allow a more accurate, month by month report of expenditures against the budget, which now has to be prepared by hand. We also plan on leasing a new copier, as our existing one is getting old, and cannot do reductions or ledger size.

We had hoped to repair the cupola on the Town Hall last year, but when we sent out a request for proposals to contractors in the area, none were interested (it seems as if the construction economy in the area must be improving). We hope that by getting an earlier start in 1996, we will get a better response. We also hope to repair the old front and side doors, which are showing their age, and to repaint the interior walls.

The Memorial Tree in front of the church is dying. Our tree surgeon says improper pruning when it was a sapling allowed a forked trunk, which has split, and cannot be cured. We ordered a replacement, but the tree surgeon did not get to planting it before the ground froze. We will do it this year.

The Selectmen support the Conval 50:50 funding formula change that will be on the March ballot. This will help reduce Temple's share of the school budget, and will provide for a more equitable distribution of the school burden among the towns in the district.

Our new secretary, Debbie Shea (formerly Canavan), has proved herself energetic, efficient and cheerful. She has made our job easier, and we appreciate her efforts very much.

Respectfully submitted,
Temple Board of Selectmen

**AUDITORS REPORT
Town of Temple, N.H.
1995**

We have examined the accounts and records of the Selectmen, Treasurer, Town Clerk, Tax Collector, Treasurer of the Library, and the Trustees of the Trust Funds. Per our audit, they appear to be properly vouched for and substantially correct.

This report is written prior to the expiration date for replies to the uncollected tax confirmation letters.

Respectfully submitted,
Diane Kraemer, Walt Birdsall, Auditors

**CENSUS TAKER REPORT
For the Year of 1995**

The population of the town of Temple, New Hampshire on December 31, 1995 was 1,396 to the best of my knowledge.

There are 750 registered voters on the checklist.

Respectfully submitted,
Gerda E. Tyler, Census Taker

TEMPLE VOLUNTEER FIRE DEPARTMENT 1995

In 1995 the Fire Department responded to a total of 32 calls. The breakdown is as follows:

- 0 Structure Fire / Temple
- 6 Structure Fires / Mutual Aid
- 1 Motor Vehicle Fire
- 9 Motor Vehicle Accidents
- 1 Smoke Investigations
- 4 Brush Fires
- 4 Chimney Fires
- 2 Miscellaneous Calls / Temple
- 2 Miscellaneous Calls / Mutual Aid
- 3 False Alarms

32 Total

As you can see, our total amount of calls dropped quite dramatically this year. Part of this is due to the change in policy of responding to motor vehicle accidents. It is now our policy to only respond if the police department requests it or if there is a report of fire or entrapment. We found that we were not needed at many of the minor accidents that we responded to in foul weather. We were unnecessarily endangering lives.

Probably the biggest news of the year for the Fire Department is that, as of April 1, 1996, we will be going with a different dispatch center. For several years now things have been uncertain because the other towns that we were dealing with would not sign a contract. Finally in 1995 New Ipswich decided to go to another dispatcher so the costs became too high for Temple to stay.

On April 1, 1996 Temple Fire Department will be dispatched by Southwest Mutual Fire Aid Association out of Keene, New Hampshire. For the year of 1996 our communications budget will still be very high because of the transition and new equipment costs. But in 1997 our communications budget should drop to about 20% of what it is now.

Even though we are changing dispatch centers, you should still dial 911 for all emergencies. The number to call for non-emergency service is 878-1972.

As 1995 ends, I am disappointed to say that the new numbering system for the houses in town is still not complete. I worked with the State of N.H. Bureau of Communication and got the town completely mapped, but evidently they have been "swamped" with information from all the towns and everything has slowed down.

Hopefully, sometime soon, we will be able to notify everyone of their new house number and get the confusion straightened out. If you are not sure what your house number is at any time, please call the Selectmen's office and Debbie can tell you what it is.

In 1996 we are going to try and form a "First Responder" program. Because of changing policies with the Ambulance Department and the ever-growing difficulty to find volunteers for the ambulance service, the Fire Department has decided to try and put together a group of people that are trained to a minimum of EMT basic level. These people can respond directly to scenes and get medical attention started on patients, prior to the ambulance arrival. If this sounds like something that you would be interested in, please call. The more people that we have on board, the easier it will be to make it happen.

If you feel you would like to join the Temple Fire Department, please call. We are in need of more members and would be glad to have your help.

Respectfully submitted,
Timothy P. Fiske, Fire Chief

FOREST FIRE WARDEN AND STATE FOREST RANGER

In calendar year 1995, our three (3) leading causes of fires were Children, Non-Permit fires not properly extinguished and Smoking Materials.

Violations of RSA 224:27 II, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

PLANNING BOARD

The Planning Board had a busy year, receiving and approving several applications.

The Board has been very thorough in its study of "accessory apartments" and has submitted to the town, two recommendations to be voted upon.

Members of the board would like to thank the retiring members who have worked very hard in the past.

Respectfully submitted,
Martin Connolly, Secretary

CONSERVATION COMMISSION REPORT

The Conservation Commission meets every first Monday of the month at 5:00 p.m. in the Temple Municipal Building, and the public is invited to attend.

This year, the Conservation Commission remained relatively quiet, with on-going discussion concerning the monitoring of Maurice Stone's property easements, Kendall Ledge view clearing, and general business.

The Conservation Commission welcomes anyone from the town to attend meetings. Please call Warren Quinn, Chairman for specific details at 878-2897.

RECREATION COMMISSION REPORT

In 1995 we managed to get our Tennis Courts and Basketball Court sealed and fixed up. These areas always need maintenance, but with the help of some special friends we seem to manage.

This year our special need is for new picnic tables at the ballfield. There will be a warrant article for these!

We managed our usual 4th of July activities, had our Halloween and Christmas parties and managed to keep within our budget. Again, we got help from people in our community, which is greatly appreciated.

Respectfully submitted,
Joe Cournoyer, Chairman, Recreation Commission

TOWN FORESTER'S REPORT

For the tax year April 1, 1994 through March 31, 1995, 17 Notices of Intent to Cut Wood or Timber were filed in Temple. 15 Reports of Wood or Timber Cut were received by the Town for this period. Yield taxes assessed for these harvesting operations totaled \$12,022.56.

The lumber market has softened a little in comparison with last year. The demand for forest products in our area however, has remained strong and stumpage prices have remained favorable. As of January 24, 1996, 14 Intents to Cut and 5 Reports of Cut have been filed with the Town for the current tax year. The projected yield tax that will be generated from the harvesting operations filed for so far this year are estimated to be about \$15,000.

The State RSA specifies that any person owning land upon which wood or timber is cut, either for sale or for services rendered, must first file an Intent to Cut form with the Town Selectmen or assessing officials. The exception to this is a person cutting up to 10,000 board feet of logs for their own use, or a person cutting up to 20 cords of fuel wood for their own domestic fuel purposes, within the tax year. Under these exceptions an individual does not have to file an Intent to Cut form. The tax year runs from April 1st to March 31st.

The RSA also states that within 60 days of completion of the operation or by April 15th, a Report of Wood or Timber Cut must be filed with the Town specifying the exact volume cut by species. The Town will levy a 10 percent yield tax based on the stumpage value of the material cut. If the job is not completed by March 31st or did not take place, a Report of Cut must still be filed by April 15th. At that time a new Intent to Cut should be filed to renew the permit. If the job is not completed by March 31st but will be completed by June 30th, a 90 day extension may be granted without having to renew the permit. To do this the Selectmen must be notified in writing by the Owner, prior to April 15th.

Finally, during a harvesting operation, if the volumes to be harvested are going to exceed the estimated volumes on the original Intent to Cut, a supplemental Intent should be filed immediately showing the additional estimated volumes.

Landowners considering a timber harvest should be aware that there are State harvesting regulations that must be followed. If you have any questions regarding this or the permitting process, contact the Selectmen or I can be reached at Granite State Forestry Services, Inc., P.O. Box 129, Wilton, NH, 03086, or by phone at 654-6868.

HOME HEALTH CARE AND COMMUNITY SERVICES, INC.
Town of Temple, N.H.
January 1, 1995 to December 31, 1995

In 1995, Home Health Care and Community Services (HCS) continued to provide home care and community services to the residents of Temple. The following information represents a projection of HCS's activities in your community in 1995. The projection is based on actual services provided from January through September 1995 and an estimate of usage during October, November and December.

Service Report

<i>Services Offered</i>	<i>Services Provided</i>
Nursing	229 Visits
Child Health Nursing	0 Visits
Physical Therapy	11 Visits
Speech Pathology	0 Visits

Home Health Aide	387 Visits
Homemaker	500 Hours
Child Health Program	3 Children

Total Unduplicated Residents Served: 22

Regularly scheduled wellness clinics, child health clinics, prenatal and hospice care are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 1995 with all funding sources is projected to be \$42,126.51.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 1996, we recommend an appropriation of \$1,750.00 to continue home care services at the current level.

Thank you for your consideration.

SOUHEGAN VALLEY AMBULANCE SERVICE, INC.

The year 1995 has been a time of change for the ambulance service. During 1995 we came a decision for changing dispatch services. This has been under discussion and study for more than a year. However, the ambulance service was placed in the position of having to make a decision on where dispatch services would be handled when it was announced that New Ipswich was leaving Monadnock Communications Center, our present dispatch service and that this would cause the closing of that center. The ambulance service has concluded discussions with several centers and has entered into agreement with the Hillsborough County Sheriff's Department to provide dispatching for the Service. It was felt that the Sheriff's Department will provide services closest to those we have been receiving from Monadnock Communications (Base 500).

The change in dispatch centers means that some services now received with dispatching will have to be contracted separately from a private provider. These include alarm monitoring and answering and handling business calls.

While the debate over the change has caused some delay in our plans for upgrading radio equipment, now that a decision has been made, we will continue to pursue a repeater for the service. This will eliminate a lot of the present interference from non-emergency users of the present frequency. Plans for the changeover from one dispatch center to the other should go unnoticed by the public and should have no effect on service thanks to the cooperative effort of Monadnock Communications and the Sheriff's department, along with our own Communications officer and committee.

We have continually experienced short staffing at various times throughout the existence of the service, especially during the day time hours. In hopes of alleviating this problem, the service began offering EMT courses at our facility. In addition, we have offered a tuition plan for the EMT course to encourage people to join the service. This has worked well. In 1994 we gained six new attendants as a result of the tuition plan. In 1995 fourteen individuals took advantage of the plan. Dependent on passing the National Registry exams, these individuals will begin their continued training in 1996.

As part of our training program, new members are required to serve as probationary attendants until they have gained the experience we feel is necessary to work independently. This offers assurance to the communities that patients will be served by well trained attendants with experience.

In 1996, as a result of the past two EMT courses, the service will, for the first time, have a waiting list of individuals joining the service as attendants. We will try to accommodate all interested and qualified individuals as quickly as possible. Plans have been formulated to arrange experience for these individuals with larger, busier services in

order to shorten the time of probation and still insure adequate experience.

In 1995 three more attendants trained to the level of EMT-Intermediate. This brings our number of Intermediates to 7 and one paramedic operating at the Intermediate level.

Souhegan Valley presently staffs its ambulances with individuals trained to the level of EMT Basic or above. EMT Basic is the minimum level of training recommended by the National Registry of EMTs, the United States Department of Transportation and several other national agencies.

In addition to EMT training, all of our attendants are required to complete an approved driver training course before being allowed to drive an ambulance in an emergency situation. The presently approved course is provided by the New Hampshire Traffic Safety Institute. The course includes classroom training on defensive driving for emergency vehicle operators as well as a full day of hands-on driving experience.

Our training policies create a lengthy training time, but offer assurance of a quality service being delivered to the communities we serve. In all, a person will be in training for nearly one year before being allowed to function as a regular attendant. This varies with each individual and the experience they are able to acquire.

We are planning to purchase cardiac monitor/defibrillators during the upcoming year. We will be raising the money for these units through donations. The service is in the process of planning a system for use of the monitor/defibrillators which will require several machines with some strategically placed in the communities where they will be quickly available to the patient when an attendant arrives on the scene rather than waiting for the ambulance to arrive.

The service was asked to explore charging for service to offset the budget expenditure for operating the ambulance service. We have looked into this and do not feel that it is in the best interest of the citizens. While an explanation is lengthy, in brief it is felt that some, primarily the elderly would be effected, and anyone without insurance would incur additional expense for services rendered. In addition many attendants feel that they are volunteering their time to keep costs as low as possible so that we can provide a free service. While we will continue to explore the possibility of charging for services to offset costs, most of the members of the service felt that they would prefer to increase fund raising efforts rather than charge for service.

Plans are being formulated to offer training programs to outside agencies as a manner of cost recovery. This will allow us to provide quality education programs for our attendants at our own facility and offset some of the cost by offering the training for a fee to outside agencies and individuals.

The service hopes to organize an auxiliary during the upcoming year to help with fund raising and other projects. Several people have

indicated that they would like to help the ambulance service but do not want to be involved in patient care.

Submitted on behalf of the Board of Directors.
David F. Dow, Chairman

MONADNOCK FAMILY SERVICES

Monadnock Family Services requests your financial support for services that we provide to residents of Temple.

During the past year, 19 Temple residents received counseling services from this agency. Monadnock Family Services provided 267 hours of counseling to these 19 residents in need of service. This agency did not refuse service to anyone from your town in need of our service. We provided the service regardless of the person's ability to pay for counseling services. 4 of the people did not have any insurance; that means 21% of the Temple people we served were without health insurance, Medicaid or Medicare.

It is difficult for us to continue serving residents of your community without any support from the town. Therefore, we are asking for \$1,373.00 from Temple. This represents \$1.00 per capita based on 1994 NH Office of State Planning estimates.

I hope that you are able to include this request in your town budget so that the people of Temple can continue to receive counseling services as they are needed.

I am available to discuss this request with you if desired.

Lee Bruder, Program Director

TEMPLE POLICE DEPARTMENT 1995

1995 was once again a very busy year for the Temple Police Department. Due to a stormy December, accidents increased over the prior year. Our officers were involved in several felony investigations, including drugs, stolen weapons, burglaries and receiving stolen property. A number of motor vehicle arrests involving Driving While Intoxicated and Operating After Suspension were made.

Mutual Aid Agreements with the towns of Greenville, New Ipswich, Mason, Peterborough, Greenfield, Lyndeborough, and the New Hampshire State Police provided additional coverage and safety for our officers and citizens as they have in the past, keeping departmental costs down. Training for our officers is provided by the New Hampshire State Police at no cost to the Town.

I would like to thank Ed Holz for the time and effort that he expended to provide the department with a much needed computer system to be used for record keeping and organization. His generosity and community spirit is much appreciated. I wish also to thank Officers Peter Clegg and Larry Duval for their continued dedication and efforts, and welcome Officer Greg Pelletier to the department.

Respectfully submitted,
James H. McTague, Chief

HIGHWAY DEPARTMENT

Winter:

For the record, January and February of 1995 were a little warmer than normal. However, it either snowed or we had freezing rain for 22 days of those two months. Most of the storms were small ones, which keeps our plowing expenditures down, but our salt and sand costs run high. March started out the same way but it warmed up and spring came.

When November arrived, it was a little colder than we're used to. It snowed enough in December to equal all the other months combined. We definitely had a White Christmas.

The budget took quite a beating throughout all of this. As you will notice, we ended up going over budget by approximately \$9,000.00. I guess this makes up for the \$8,000.00 surplus that we had in 1994. It turned out to be the most expensive December that I have dealt with in the past 12 years.

You should take notice of the Driveway Plowing Guidelines that are in with this report. A few things have changed, a few things have been clarified, but for the most part they will effect very few people. The reason for writing these up and putting them in with my report is so everyone knows what to expect from their driveway plower from now on. If you have any questions please call me.

Summer:

Our "mud season" in the spring of 1995 was very tolerable. The roads dried out quite nicely with only a few serious mud problems. We managed to get onto the dirt roads quite early with the grader because of this and were able to get things into shape sooner than usual. It was fortunate that we were able to do this as everything ended up drying out too much in the early summer. When the dirt and gravel get too dry we can't grade the roads any more because it won't pack back together, which is how things ended up.

For our regular maintenance, other than ditching and shaping up the dirt roads, we spent time cleaning and painting plows and equipment, mowing lawns, cleaning and/or replacing culverts, cutting brush and dead trees, patching potholes, hauling sand and gravel, mowing roadsides, and so on. In our spare time, we began work on the new cemetery.

During the summer, the paved road that we concentrated on the most was West Road. We installed close to 1000' of underground drainage in various wet spots, repaired several culverts, cleaned all the ditches, dug out several large rocks, paved about 1 mile of the surface, then shimmed and sealed the remaining surface.

In 1996, we will be paving and/or sealing on Colburn, Mansfield, Cutter, Moran, and Hill Roads. As you will notice, we have raised the budget for this type of work this year. This is to cover the higher cost of materials and the fact that we are going to be repairing more mileage of

road this year.

In June of 1995 our new Caterpillar loader was delivered. This loader is basically the same as our old one but much more modern. We waited until 1996 to ask for the new snowplow and sweeper attachments to help spread out the costs. Both the sweeper and the snowplow that we now have are as old as the loader was (approximately 22 years) and need to be replaced.

As you may have noticed, the bridge on Hadley Highway was not rebuilt in 1995 as was originally planned. The reason was that the State of N.H. has a Bridge Aid program in which they will pay for 80% of the cost of building the new bridge and the town pays for the remaining 20%. When we applied to this program, we found that there were several drawbacks: we would have to wait until 1997 for the money; we would have to build it according to their specifications and rules; and their costs estimate for the project was \$380,000.00. Our cost estimate was \$40,000.00. The job we are planning to do is not as extensive as the States plan, but we feel that our is more cost-effective and will still solve the problem.

We are also putting in a warrant article for the tarring of Howard Hill. I feel that this is the last "bad" hill in town that really needs to be paved. It has proven to be cost-effective to pave these "bad" hills. I don't want to push up the total budget for the town, so this may have to wait another year to be done. Perhaps at Town Meeting we will have a better idea of what we have for money and can discuss it then.

Respectfully submitted,
Timothy Fiske, Road Agent

Driveway Plowing Guidelines

1. We will plow driveways only after 4" or more snow has fallen (measured at the highway garage).
2. Driveways will not be plowed until the storm is over, unless we get over 10" of snow. If this happens, the driveways will be broken open once during the storm, and then cleaned up after the storm.
3. Under certain storm conditions, such as when the ground is very soft and we get wet heavy snow, the driveways may or may not get plowed. This will be at the discretion of the Road Agent.
4. Driveway plows will not spend more than 15 minutes on any driveway or residence.
5. Driveways and obstacles should be marked with wooden stakes (not steel) preferably in bright colors.
6. Driveways will have a cleared width of at least 14 ft. and be clear of branches, etc. up to a height of at least 12 ft. or will not be considered eligible to be plowed.
7. Snow will not be "backdragged" by the snowplows. Snow will not be pushed across the town or state roads unless justified by the Road Agent. If a driveway is constructed in a way that prohibits the pushing of snow to designated areas, the driveway will not be plowed. The Road Agent will be the judge in cases of dispute in this matter.
8. The Town and/or contractor will not be held liable for damaged lawns or driveway surfaces.
9. The Town and/or contractor will not be held liable for obstacles hit by the plow unless that obstacle was properly marked.
10. Snow banks in driveways will be pushed back by loaders at the Road Agents discretion. (Note: This is usually when most obstacles get damaged because they are buried in snow and not properly marked.)
11. Driveways with grades of over 12% may not get plowed for several days after a storm or until we can get an appropriate machine to the premises that can do the job.
12. The Town will not be responsible for plowing out driveways that have drifted in after a storm is over.
13. The Town will not be responsible for sanding or treating driveways.

Our circulation figures for this year show an increase of 1,045.

The library applied for and received a grant to help in the cost of installing a computer. We are now able to access the state holdings thus speeding up our borrowing procedure.

By using accumulated fund raising/contribution money we were able to replace our 10 year old copier and to purchase a large desk for the office, a computer stand and a rolling table for the copier.

234 books were purchased with library funds and 503 were given to us with an estimated value for \$1,341.00. 277 books were removed from our collection.

We held Open House during National Library Week and at this time prizes were awarded to winners in our art contest. All the children from school, grades 1-4, enjoyed refreshments served by the trustees.

An annual strawberry festival on June 4 and book and pie sale during the Harvest Festival were successful fund raisers for special programs and projects.

We would like to thank the following for their donations of books, magazines, tapes, time and money. John Dow, Helen Bradler, Geraldine Bradler, Ray Lee, Martha MacDonald, Jane Daniels, Anne Spaulding, Silas Little, Martha Scott, Denise Long, Barbara Steelman, Daniel Clifton, Louise Bergholm, Dot Turini, Ruth Webber, Alex Pickman, Sarah Vaughn, Kathleen Beland, Roberta Leahy, Karen Crowe, Margaret Waterman, Ruth Quinn, Don Fonda, Heidi Richardson, Helen Stone, Joanne Keuper, Evelyn Hume, the Bollinger family, Lucille Heald, Susan Groff, Lois Webster, Karen Riddle, Elaine Kalhori, Rebecca Salisbury, Peter Lerangis, Mary & Dick McAdoo, the Taylor family, Christine Canavan, Mary Korpi, Susan Oxman, Anne Lunt, Chris Weston, Carolyn Myrick, Barbara Harling, Ethel Fiske, all our trustees, our Friends, and all who contributed to our fund raisers or helped in any way.

Our summer fun reading program began on June 6 and ended with a party at the town hall on August 10. We had a record sign-up of 62 children. 50 children completed reading the required 5 books and the total of books read was an astounding 1,229! Tammy Bessette and Mary Korpi from the Friends of the Library presented a fun program and great refreshments.

The Friends of the Library meet the 2nd Saturday of most months. This year they provided the following public programs:

Feb. 9	Jessie Salisbury
April 20	Sy Montgomery
Nov. 2	Edie Clark

They also gave a Valentine party for the school children as well as the summer reading party. On June 22 the group sponsored a field trip to Fruitlands at Harvard, MA.

The Book Discussion Group met each month except for July. This is generally help on the 4th Tuesday of each month.

Pre-school story time is help on Tuesday mornings.

The trustees meet every other month on the 2nd Wed. at 7:30.

Books may be borrowed from other libraries through the statewide I.L.L. We have a copy machine for public use and provide tax forms (federal and state). We will gladly arrange delivery of books to those who cannot visit the library. Patrons are urged to use the rear entrance. A ramp has been installed to this door.

Library Hours: Monday 1:30-5, Tuesday 10-12 & 1-5:30, Wednesday 1:30-5 & 7-9, Friday 1:30-5 and Saturday 2-5. The book drop is available at all times when we are not open. Our phone number is 878-3100.

CEMETERIES 1995

In the summer of 1995, it was very dry. The grass kind of dried out and shriveled up. We didn't have to worry about mowing much after the 1st of July. This is the main reason we ended up with a large surplus in the budget at the end of the year.

Other than cutting back some brush and taking down a couple dead trees, about the only extra project that we did in the cemeteries this year was to have the dead limbs trimmed out of the large maple tree at the entrance to East cemetery. We also had a steel cable put in it to help hold it together. It is a magnificent old tree, but it is having its problems. Hopefully with some care, we can extend its life for several more years.

As you may have noticed, the area for the new cemetery is looking kind of ugly these days. This is because most all of the trees have to be removed so that the ground level can be raised in some areas and lowered in others. This year at Town Meeting we will be asking for some extra money to rent a machine for pulling all of the stumps out and burying them. With any luck we will also be able to move some the dirt around with it and begin to get things into shape.

As I said last year, this is a large project and I plan on spreading it out over several years. By doing this, we can use the highway equipment to move most of the dirt around and save ourselves a lot of money. Unfortunately, the town does not own a machine for pulling stumps. But by renting one and having the highway workers run it, we should do quite well.

If you have any questions about your cemetery lot, feel free to call me at the highway garage. The number is 878-2744 and if we are not there please leave a message.

RECYCLING CENTER

The year of 1995 has been yet another year of change at the Recycling Center. The recycling market has changed, as a result we are pursuing new markets and have taken better control of our sales, insuring a higher income. We are also investigating alternative means of disposing of our trash which could reduce costs.

Much needed repairs were done to the buildings, some of which were made necessary by a fire in June. Most of the repairs were covered by insurance and we gained valuable information about the disposal of "incinerables" by compacting during the shutdown.

We are working toward making the center more user friendly in the near future. I would like to thank the Wilton Selectmen, the Wilton Highway Department, the area policy representatives and area residents for their support and cooperation which has made this last year pass so smoothly.

Respectfully submitted,
Joe Paro, Manager

REPORT OF THE ZONING BOARD OF ADJUSTMENT

During 1995, the board heard six cases. The first concerned an appeal for a special exception for a commercial enterprise (rock climbing facility), which was denied. The second appeal was also for a special exception for a commercial enterprise (food stand), which was denied. The third case of the year was, again, for a special exception for a commercial enterprise, (sand/gravel pit); the appeal was granted. The fourth case involved an appeal from an administrative decision regarding the alleged operation of an unauthorized business; this appeal was denied. A variance for insufficient frontage in a minor subdivision was sought in the fifth case of the year. Initially denied, the request was granted on appeal. The final case of 1995 involved another application for a special exception (art gallery/cafe). This was denied.

The board meets on the first Tuesday of the month at the municipal building. Meetings convene at 7:30 p.m. and are open to the public.

Respectfully submitted,
Paul Quinn, Chairman
